NORMALIEN STUDENT STATUS

Students who enter **ENS Rennes** have a double status: they are both students, registered in State Universities, and normaliens, i.e., members of **ENS Rennes**.

The status of normalien means that the student signs a 10-year contract with the State, which includes the four years of study at **ENS Rennes**. During these four years, the normalien students (French and European) are paid a monthly salary by the State. Non-EU normalien students receive a monthly grant of €1,000 from the **ENS Rennes** for a period of three years (third year of the Bachelor’s Degree and the first and second years of the Master’s Degree).

The other three **Écoles Normales Supérieures** (ENS) in France are: **ENS Paris**, founded in 1794, **ENS Lyon** and **ENS Cachan**.
